Red Stag - Mouflon & Wild Boar Hunting
Castilla La Mancha - Spain
31st of January - 3rd of february 2025

TRADITIONAL MONTERIA IN THE HEART OF SPAIN

The hunting area is located in Cuenca province (Castilla La Mancha region), about 1,5 away from Madrid. The area has around 1.500 hectares of a rolling terrain whose vegetation is mainly based in low bush and pine trees, with some oak trees too. The area has not been hunted for 3 years now and, due to the hard work of the gamekeepers, the population is quite numerous.

You can expect mature red stag trophies with 8 to 12 points and nice mouflons with nice curls. Wild boars are very numerous too. All the spots will be placed in the ground with wide angles to let the hunters do a full swing.

The accommodation will be provided in the Hotel Torremangana 4*, that offers a quite comfortable stay for the guests. It is found in Cuenca town and about one hour away from the hunting area.
